

Membership

Annual tax deductible membership fees are \$15-\$25 per family, based upon a sliding scale. Your charitable contribution helps to cover the costs of our mailings, seasonal events and our annual adoption conference.

As a family member of ACO, you will realize many benefits:

1. Announcements of upcoming events
2. Informative newsletters
3. Adoption support, networking and comradery
4. Toddler playgroup
5. Young adult adoptee scholarship information
6. Annual adoption conference

If you are interested in or would like more information about becoming a member of ACO please e-mail us at aco@peak.org or call Erika Solberg 342-1134 or Elise Crum 345-4209.

Adoption Connections of Oregon
P.O. Box 10581
Eugene, OR 97440

A non-profit organization of families and individuals, offering support, education, multicultural activities, and friendship for anyone touched by or interested in adoption.

Who is Adoption Connections of Oregon (ACO)? We are adoptive children, parents, siblings, grandparents and extended family members. We include both adult adoptees and birthparents.

We are a resource for those considering adoption as a way to build a family. We are families who have raised adopted children and have insights to share with families of younger children. We have adopted both domestically and internationally. We have chosen both closed and open adoption.

We have a common interest in supporting one another, furthering adoption education and honoring the varied cultural heritages represented within our community.

As a volunteer-run group, we are dependent upon the energy and vision of each other. Enrich your family's adoption experience... join us!

Each year our group sponsors social and educational events within the community.

A calendar of events is listed here. Contact Erika Solberg at 342-1134 or Elise Crum at 345-4209 for information on this year's dates, times and locations.
